BROTHERS OF THE CHRISTIAN SCHOOLS ★ DISTRICT OF EASTERN NORTH AMERICA

WINTER 2025 • VOL. 26

## LASALLIAN URBAN SECONDARY SCHOOLS

### *Another Reflection on Calls from the Peripheries*

The schools and ministries in the District of Eastern North America (DENA), are part of the worldwide Institute of the Brothers of the Christian Schools. At the most recent General Chapter, which is a meeting of representatives from every District around the world held in Rome Italy, there were two important calls to the Districts for global Lasallian action:

- Better meet the needs of the world's underserved population by renewing our emphasis on serving the marginalized members of our society.
- Truly become *One La Salle* by working with Lasallians throughout the world, creating a more cohesive global network to grow our Lasallian educational mission.

In January, both of these priorities were the focus at a special experience in our District. Br. Robert Schaefer, FSC, Provincial/Visitor, welcomed three General Councilors from the Generalate in Rome for a week-long visit to DENA to foster collaboration and networking. Br. Carlos Gomez, FSC, Vicar General; Br. Ricardo (Ricky) Laguda, FSC, General Councilor; and Br. Chris Patiño, FSC, General Councilor, attended a series of visits and meetings throughout DENA for sharing with their fellow Lasallians. They heard about our District's many strengths and successes as well as our challenges, and shared their diverse

experiences from global Districts throughout the world. These gatherings highlighted various constituencies of DENA, including vocations, communities, education, administration, and leadership.

An important priority of this visit was the focus on DENA's Lasallian urban schools, and DENA's long history of being a beacon of hope for urban students in at-risk, and financially fragile communities. The Brothers spent two days visiting and meeting with staff, students, and leaders at four secondary schools located in urban areas: Bishop Loughlin Memorial High School – Brooklyn NY, La Salle Academy – New York NY, Saint Raphael Academy – Pawtucket RI, and West Catholic Preparatory High School – Philadelphia PA.

The Councilors concluded their visit by participating in the Lasallian Urban Education Summit on January 16, 2025. Led by Mr. James Logan, leaders from the four urban secondary schools, members of DENA's Leadership team and the Office for Mission & Ministry, and the Councilors gathered as one Lasallian family for a full-day of fellowship and sharing. Topics presented and discussed at the Summit included: Diversity of Student Population, Diversity of Academic Needs, Trauma and Violence, and Financial Viability.

The Summit encouraged reflection and collaboration to strengthen the Lasallian educational mission. It also reaffirmed DENA's commitment to providing hope and creating opportunity for all urban students, and especially those students in need, following in the footsteps of our Founder, St. John Baptist de La Salle. He began his educational ministry because he was called to help the youths who did not come from wealthy families, and for whom no formal education was offered. He believed that the only way for a youth to rise out of poverty was through education.

During the visits and at the Summit, each of the four schools had the opportunity to share their successes, and hear from the Councilors about their fellow urban Lasallian schools throughout the world.

A few highlights of these DENA Lasallian secondary schools are:

# A MESSAGE FROM THE VISITOR

Dear Friends,

Our District is blessed with a wide diversity of ministries that continue to embody the spirit and mission of St. John Baptist de La Salle and the first Brothers, even as they adapt and adjust to the demands of today. Some of the oldest ministries in the District are the urban high schools that have watched the demographics of the neighborhoods and profiles of the students change over the years

but have remained a steady presence in some of the most challenged parts of our country.

Lasallian urban secondary education is deeply rooted in the mission and vision of St. John Baptist de La Salle, who founded the Institute of the Brothers of the Christian Schools in 1680. In response to the educational and spiritual needs of poor and marginalized youth in 17<sup>th</sup>-century France, De La Salle pioneered an innovative approach to education that emphasized accessibility, community, and holistic formation. This legacy remains alive and relevant today, particularly in urban secondary schools where challenges mirror those faced centuries ago.

With a similar spirit of faith and an ardent zeal, those Brothers and Lasallians who serve in these schools make a real impact on the lives of the students entrusted to their care and offer them solid pathways to continue to grow and develop into God's image and likeness.

Facing many challenges from the violence of many urban neighborhoods

to the financial challenges of keeping quality Catholic education accessible to low income families, school leaders and teachers exemplify the determination of the pioneer Brothers who first opened these schools.

Urban environments often present students with significant obstacles—poverty, inequality, and instability among them. In the spirit of the early Christian Brothers, Lasallian educators respond by creating schools that are sanctuaries of hope and opportunity. They embrace the founding principle of “together and by association,” fostering strong communities where students are supported not only academically but also socially, emotionally, and spiritually. This sense of community reflects De La Salle's belief that education is most transformative when rooted in relationships and shared purpose.

In honoring the District's enduring history, Lasallian urban secondary education continues to be a beacon of hope, embodying the timeless Gospel values in the heart of our cities.

Thank you for your continued support in sustaining our Mission!

Live Jesus in our hearts!

Respectfully,

*Brother Robert Schaefer, FSC*

## De La Salle ST. JOHN BAPTIST DE LA SALLE FUND

**THE SAINT JOHN BAPTIST DE LA SALLE FUND** seeks to ensure that a Lasallian education is available and accessible to those students most in need. The Fund provides tuition assistance for students to attend one of our Lasallian schools. With your support, we are now providing more than \$1 million annually for our students in need. All are welcome to join the Brothers in this specially-dedicated scholarship fund which continues to grow each year.

### FACE OF THE FUND: ALYDIA MAYOL

*by Ms. Nancy Cifune, Director of Communications, Saint Raphael Academy – Pawtucket RI*

Before Alydia Mayol started high school, she was highly aware of the strong educational tradition at Saint Raphael Academy, as her brother Pedro was a 2023 graduate.

“I chose Saint Raphael Academy for high school because a few years ago, my older brother attended the school, and I saw how much it was able to help him,” she said. “The education he received from Saints allowed him to go to a great college and it has set him up for success in his future. I am hoping that Saints will do the same for me.”

Alydia is definitely on track for success, as she was placed in Saint Raphael Academy's honors program. Her favorite subject is English, and she loves to write. As a freshman, Alydia is still exploring the many extracurricular activities at Saints. She was on the tech crew for the fall production of *Godspell* and is an active participant in the SRA Dance Company. “I look forward to joining more clubs and activities in my years to come at Saint Raphael Academy,” she said.

She is grateful for the opportunity that the Saint John Baptist de La Salle Fund has given her and the impact it has had for her family. “Especially with my parents already having one child in college, this scholarship has helped make my hopes of attending Saints more affordable.”

## 2024 Distinguished Lasallian Educators

Br. Daniel Aubin, FSC

This fall, three members of our Lasallian family from the District of Eastern North America were honored as Distinguished Lasallian Educators by the Lasallian Region of North America. These educators were selected for their contributions to the mission and for their exceptional work in touching hearts and minds and transforming lives. They are:

### **Br. Daniel Aubin, FSC (Saint John Paul II Academy – Boca Raton FL)**

With over five decades of service, Brother Daniel has been a guiding force in multiple Lasallian ministries. His leadership, mentorship, and dedication to educational excellence have positively impacted students and colleagues, leaving a lasting legacy of faith and service.

### **Ms. Teresa Diamond (La Salle Academy – Philadelphia PA)**

For 19 years, Teresa has led this San Miguel school with a focus on faith, academic excellence, and social justice. She has created service-learning opportunities that inspire students to make meaningful contributions to their communities while living out core Lasallian values.

Ms. Teresa Diamond

### **Mr. William Leahy (La Salle College High School – Wyndmoor PA)**

William's diverse roles as a religion teacher, campus minister, counselor, and Hall of Fame lacrosse coach have transformed lives. His unwavering commitment to Lasallian values has inspired students and colleagues alike to strive for excellence and embody faith and service.

Mr. William Leahy

Please join us as we honor their contributions and renew our commitment to the legacy of St. John Baptist de La Salle.

## Common Questions About Special Gifts

*by Patrick J. Donahue – District Director of Advancement*

### **What types of gifts qualify me for the Lasallian Heritage Society?**

Every so often I am still asked this question, so I will mention it here again. Our Heritage Society is a way for us to acknowledge and thank those friends who have let us know that they have named the Brothers to receive a future gift as part of their estate or “planned giving”. If you do not see your name but have remembered us in your estate plans, please feel free to ask us to add your name.

While most of the Legacy gifts that charities receive are from donors who have listed them in their will, we also include donors of several other types of Legacy gifts. These include:

- **Annuities.** Creating a simple, one or two-page, agreement with the Brothers, stating you will make a gift, and receive in return a specified annual payment for the rest of your life.
- **Life Insurance Policies.** You may have a life insurance policy from which you no longer need the income, so you list the Brothers as the beneficiary when you die. If the policy is paid in full, you could also sign the policy over to the Brothers, making them the owner.
- **Beneficiary Designation.** There are many financial products that allow you to designate a beneficiary or multiple beneficiaries who will receive any remaining funds at your death.

Examples of these include:

- **Retirement Accounts.** IRAs and 401(k)s are among the most heavily taxed assets if left to any individual other than a spouse, so are often one of the first assets left to charity.
- **Donor Advised Funds:** These accounts act like a simplified Family Foundation, allowing the donor to deposit and distribute funds to charities at their own pace. But, the charity can be pre-designated for final distribution, in case funds remain in the account at your death.
- **Investment or Bank Accounts.** Your existing accounts often have the option of naming a beneficiary so that they do not have to pass through probate.
- **Trusts.** There are many types of Trusts. It is best if you discuss these options with your advisors.

If you would like to discuss any of these ideas, or have your name added, please contact me, Patrick, at donahue@fscdena.org, or at (732) 380-7926 ext. 112. Please remember that my hints here are not intended to be legal advice. I always suggest that before you finalize any charitable gift plan, you should consult your advisors to make sure it is right for your specific circumstance.

## November Memorial Prayer Requests

While prayer is always an integral part of a Brother's daily life, November is a special month of prayer for the deceased. Beginning with the feast of All Souls Day, Brothers pray for the deceased, whose names Lasallians from across the District have submitted to the Brothers for intercession. While every Brother of our District says the special prayer each day in remembrance of these loved ones lost, the physical lists are divided and placed in front of the altars in several Brothers' Communities. May our gracious Lord continue to watch over these souls and bring them home to his loving embrace.

## BROTHER SPOTLIGHT

**Daniel Gardner, FSC**

Entering high school from a relatively small, neighborhood Catholic grammar school, I was not sure what it would be like at St. Joseph's Collegiate Institute, the Lasallian high school in western New York. It seemed overwhelming—multiple classrooms, many student faces, and a whole list of new teachers. I even had to leave the neighborhood. My fears were alleviated on the first day when I quickly realized that the Brothers and their lay partners had created a community where a strong sense of our Catholic faith and a commitment to service inspired the faculty, students, and alumni to live out a particular mission in the Church—The Lasallian mission. The dedication and the Lasallian spirit that the Brothers displayed as they built that community inspired me to follow them in the footsteps of St. John Baptist de La Salle. I have been part of the effort to build that same Lasallian spirit and strong sense of community in various schools across the District of Eastern North America ever since.

It has been my privilege to pray, live, and work with the Brothers at Christian Brothers Academy – Lincroft, Christian Brothers Academy – Albany, Resurrection School – New York City, St. Raymond High School – The Bronx, and for the latest years of my ministry at Manhattan University in the Bronx. I have striven to build up Lasallian communities of faith and service in those apostolates and to model the example that the Brothers provided for me at St. Joe's—a student-centered and caring environment in which our students have the opportunity to encounter the holy presence of God.

Life in community has helped sustain me in ministry, but it has also provided me the opportunity to see the deep faith and commitment of my Brothers for this mission. Hopefully that fraternal example has helped me to touch the hearts of the young people entrusted to my care.

# LASALLIAN URBAN SECONDARY SCHOOLS

(continued from page 1)

West Catholic Preparatory High School enrollment has increased with the past academic year having the largest incoming freshmen class and overall school enrollment since 2008. This remarkable growth not only signifies the appeal of the school's educational environment to students and their families, but also underscores the value West Catholic Prep brings to the local urban community.

Saint Raphael's Academy, over the past decade, has seen a thirty-five percent increase in enrollment, an expansion of the campus footprint, and a highly successful capital campaign. Their recently completed campaign well exceeded its financial goal, with the funds being used to establish an endowment and for classroom improvements.

Bishop Loughlin Memorial High School, among other innovations, has instituted Project Lead the Way (PLTW), with two honors courses of study: Biomedical Science Courses and Engineering Courses. A PLTW administered end-of-course online test is required and advanced scoring on this test may lead to college credits, preferential admissions, and scholarship consideration.

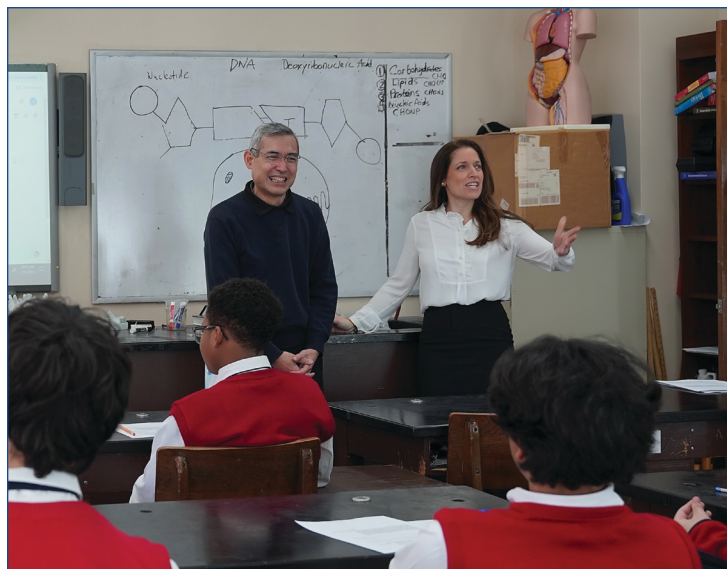

La Salle Academy has established student-focused programs such as the Guest Lecture Series, a program inviting industry leaders and professionals into the classroom. Guest lecturers bring unique insights to class giving students the opportunity to explore future possibilities. The Paul Francis Writing Center offers students guidance in crafting term papers and resumes as they hone their writing skills.

Additional comprehensive programs that help secondary students excel, such as incoming freshman support programs, and partnerships with local colleges and universities, are part of the upper tier educational experience at these DENA secondary schools located in urban areas.

Outstanding educators and commitment to excellence, coupled with support of the socio-emotional needs of the students, is a hallmark of our Lasallian urban secondary schools.

A West Catholic Preparatory School Student Ambassador leads a tour of the school for Br. Carlos Gomez, FSC, Vicar General. Br. John McDonnell, FSC, a volunteer at the school, is seen in the background.

Br. Ricardo (Ricky) Laguda, FSC, Councilor, is introduced to students at La Salle Academy in Manhattan by school president, Mrs. Candace Hammonds.

The three Brothers of the General Council, who are visiting from Rome, hold a panel discussion and take questions from Summit attendees.

Br. Robert Schafer, FSC, Provincial/Visitor, discusses our focus as he welcomes everyone to the first Lasallian Urban Secondary Education Summit for the District.

# SCHOOL SPOTLIGHT

## LA SALLE COLLEGE HIGH SCHOOL – WYNDMOOR, PA

by Christopher M. Carabello, Director of Marketing, Communications, and Public Relations

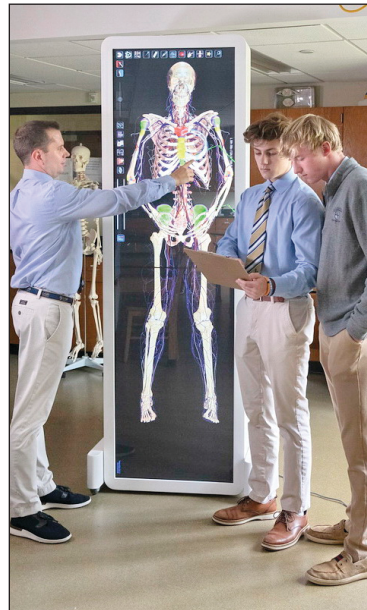

La Salle College High School has taken learning to another level by adding a Concentrations Program to their robust, college-preparatory curriculum. The program allows students to embark on an innovative journey, experiencing various career fields and earning credentials during their high school years. By navigating a pathway through electives, clubs, and experiential learning activities—as well as linked course content, service-learning opportunities, interviews, and independent research—students gain unparalleled academic and real-world insights. These customized pathways enable young men to discover and pursue their passions. As a result, connections are made across subject areas, and deeper, more meaningful learning takes place.

Mr. Rob Johnson works with a student in the digital media and communication studio at the school.

The benefit of the program is that when young men do not have a reason, goal, or target, they can lose focus, and not fully apply themselves. These concentrations give a young man purpose and reason. Classes now matter to the student, and the long view comes into focus. Participation in a concentration provides a capable young man with a spark that will ignite a new level of effort, thought, and commitment.

A student in the Concentrations Program can expect to work on and off campus, connecting his experiences in pursuit of his goals at the deepest levels of understanding. Basic courses are taken first, with electives to follow. By senior year, students in a concentration take seminar courses, create professional portfolios, and complete capstone projects. This rigorous learning experience will serve students in a variety of ways, but most importantly, it will facilitate developing the skills, habits, work ethic, and character needed in today's world. In addition, the Concentrations Program will help a young man decipher if these fields are potential college majors (or career options) and inspire him to learn more and do more with that knowledge.

Mr. Kyle Rosa teaches biology as part of the health sciences concentration.

Mr. Greg Snyder has the attention of his music production students.

By packaging current course offerings to create curricular pathways, La Salle College High School currently offers concentrations in: Digital Media and Communication, Engineering, Global Business, Health Sciences, IT Professional, and Music Production. The 2025-2026 academic year will see the addition of a concentration in Leadership, Public Service, and Law.

Open to all students, the program was inspired internally and from what colleges and workplaces will be asking of students, thus deepening the scope of understanding and growth for participants. It has also inspired faculty and administrators to look at its curriculum with new eyes, seeking more points of connection and relevancy.

While the structure of the Concentrations Program formalizes pathways for learning and growth, the result is that each student will ultimately discern his individual path.

## REMEMBERING THE BROTHERS WE HAVE LOST

Full obituaries and eulogies available online at [www.fscdena.org](http://www.fscdena.org)

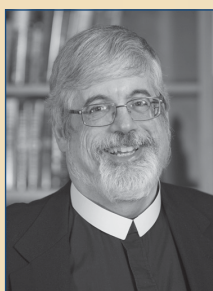

### **BROTHER AUSTIN DAVID P. CARROLL, FSC**

**1935 – 2024**

Br. Austin David P. Carroll was born David Paul Carroll in Far Rockaway NY on November 22, 1935. He entered the Barrytown NY Novitiate on June 30, 1953, and received the Religious Habit and name, Austin David, on September 7, 1953. Brother David pronounced Perpetual Vows in Barrytown NY in 1960.

Complex would be a good word to describe Br. David. His ministry took him from teaching in several high schools, to leading early data processing efforts for the Archdiocese of New York and the Diocese of Brooklyn (while also consulting for IBM), to nearly four decades of leadership roles with diocesan, papal, and worldwide peace organizations—while also holding adjunct professor positions at several colleges and universities.

Br. David Detje, FSC, recalls, “He would always end the conversation with the word Peace. I believe that he now enjoys that peace, which he always strove to achieve on earth.”

### **BROTHER DONALD DIMITROFF, FSC**

**1953 – 2024**

Donald Cyril Dimitroff was born in McKeesport PA on July 14, 1953. Br. Donald received the Religious Habit on August 1, 1976. He entered the Skaneateles NY Novitiate on September 1, 1980. He pronounced Perpetual Vows on May 27, 1984.

Br. Donald had a tremendous understanding of computers, and genuinely enjoyed helping students learn. He attended graduate school at the University of Pennsylvania and the University of Pittsburgh, and was a research programmer at IBM. This led him to teach computer science at Loyola University and the University of Maryland in Baltimore. Even as an adjunct professor, Br. Donald taught every course in the computer science curriculum.

According to his friend, Br. Charles Huber, FSC, computers, strategic board games, and even his Christmas train display were perfect for Br. Donald’s analytical mind. At the same time, his care for family, and joy in seeing his students learn, reminded everyone of his loving heart.

### **BROTHER MICHAEL J. MCKENERY, FSC**

**1939 – 2025**

Br. Michael J. McKenery was born James Edward McKenery in Providence RI on August 12, 1939. He entered the Barrytown NY Novitiate on

June 24, 1957, and received the Religious Habit and name, Michael James, on September 7, 1957. Brother Michael pronounced Perpetual Vows at Manhattan College in Riverdale NY in 1964.

Br. Michael was a caring educator who served in many leadership roles, including Principal of La Salle Military Academy in Oakdale NY, and assistant Provincial and Provincial of the Long Island – New England District. Br. Michael later served as President of La Salle Academy – Providence RI for fourteen years. He helped transform the campus by adding an Athletic Center as well as an Arts Center, which was a testament to his passion for the arts.

Former colleague, Rev. Msgr. Albert Kenny remembers, “When Br. Michael was the president at La Salle Academy, I witnessed how the Lord used him as an instrument of charity and bearer of love for others.”

### **BROTHER JOSEPH P. REILLY, FSC**

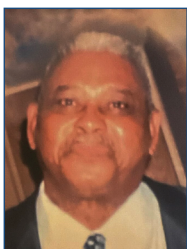

**1939 – 2024**

Br. Joseph P. Reilly, FSC, was born Patrick Joseph Reilly in Brooklyn NY on March 19, 1939. He entered the Barrytown NY Novitiate on

June 26, 1958, receiving the Religious Habit and name Joseph Patric on September 7, 1958. Br. Joseph pronounced Perpetual Vows at Manhattan College in Riverdale NY in 1964.

Br. Joseph taught in high schools for sixty years, with nearly half of that at Bishop Loughlin Memorial High School in Brooklyn. He also shared his love of track with the students he coached, even driving the student van to track meets no matter the distance or the traffic. Outside of school, Br. Joseph enjoyed traveling, and was thrilled one year to celebrate Easter in Bethlehem, calling it “the place where it all started.”

Br. Joseph Reilly’s greatest loves were his family, friends, students, and being a Brother of the Christian Schools. May he rest in peace.

### *He Built A Legacy*

We mourn Mr. Marion Forrest, AFSC. He was born in Mobile AL, and with a degree in vocational education, had an early career in construction. As he specialized in brick-masonry, concrete and foundation work, he drew attention for his craftsmanship, professionalism, and integrity.

Those same qualities drew him to a second career at St. Gabriel’s Hall in Audubon PA, where for thirty years he laid a different type of foundation for the at-risk boys in his care. Forrest started out teaching brick masonry to give the boys a trade skill. His role developed from instructor to youth care worker, and eventually to administrator.

He was named an Affiliated Member of the Brothers because of the countless lives that he touched over his three decades of faithfulness, dedication, and service. On behalf of all the young men who now have a solid foundation in their lives, rest in peace Brother Marion.

CHANGE SERVICE REQUESTED

Vol. 26

Dear Lasallians,

I travelled recently to visit my best friend who was in hospice care. I was blessed to catch him on a good day, and was able to share a short time with him before he passed away. He had a deep faith, and said, "While I wish I could spend more time with family, when the Lord decides it is my time, I will run to Him with open arms."

This reminded me of what I have witnessed and heard of many times over the past ten years, this same readiness within Brothers I have known at De La Salle Hall, our licensed care Brothers' Community. I am sure this comes from some combination of many things: a life well lived, knowing that there are people who love and care about you, and especially from a faith in God's promise to bring you home to be with Him, to name a few.

These men have spent their lives "teaching minds and touching hearts." Of course, they are extremely proud that they have helped so many students achieve success and happiness. From getting to know some of them a bit, I am also sure that if one of them knew that his example had instilled a faith in at least one of his students that allowed him or her to be sure of "running to the Lord with open arms," that Brother would consider his life to be a life well lived.

May Jesus truly live in each of our hearts!

Sincerely,

Patrick J. Donahue
